Dear Parent/Guardian

I regret to inform you that we are suspending our Breakfast Club and After School Wraparound service until further notice.

This issue was discussed at length at our Board of Governor meeting on Tuesday evening. Following a review on the impact to learning, attendance at school and health and safety risk assessment, we were left with no viable alternative.

Please be assured that every possibility was explored in trying to maintain this service as we know how valuable it was to the families who used it. We will continue to review this position going forward.

These are very challenging times in education and wider society as you are fully aware. I hope those of you whom this decision impacts, can in some way, understand the reasons for doing so and that you are able to make suitable arrangements.

Please accept my most sincere apologies for the inconvenience this will no doubt cause. Should you wish to discuss the above matter, please do not hesitate to contact me.

Yours sincerely

G. Trainor

Principal
