4th November 2023

Dear Parent/Guardian

As we are all aware, technology is moving at such an astronomical pace, it is difficult to keep up. While there are many advantages to technology, especially in education, there are some potential pitfalls.

Children and teenagers now largely have access to technology in every walk of life and it can be difficult ensuring their safety when they are online. These dangers are affecting children across society and within our own parish.

With these dangers becoming more prevalent, our Parish School Cluster of St. Joseph's, Meigh, St. Michael's, Killeen, and St. Moninna's, Cloughoge have come together to invite technology and online safety specialist, Wayne Denner, to host an information evening in Killeavy GAA hall on Tuesday 7th November at 7pm sharp. The information evening will last around one hour with a Q&A with Wayne at the end.

This event is open to all parents/adults (21+) in the parish who have responsibility for primary or secondary school age children (P1 to Yr14).

We look forward to seeing you all there.

Yours faithfully

Mr G Trainor

Mr C McAteer

Mrs I Temple
